Mr. Paff:

I would like to thank you for taking the time review our web site and on-line complaint system. As an agency we welcome and encourage citizen input regarding our operations and officer's conduct. It is not often that we receive a non- law enforcement perspective on how our services are viewed. As a result of your suggestions we have made changes to our webs site with the ultimate goal of providing the highest level of professional police service.

Thank you again for taking the time to forward your concerns.

Best Regards,

Michael J. Morris
Chief of Police
