The Superintendent's Advisory Council was formed in 2009. The group consists of family and community members who are dedicated to supporting the schools of the district, its students, teachers and administrators. This is accomplished through an open dialogue that is focused on problem solving and forward thinking. The Council meets the second Wednesday of November (9), February(8), March (8), April (11) and June (13) at 7:30 PM in the Mary Volz Library right after the Education Foundation meetings. If you are interested, please email me at nward@runnemedeschools.org
