

Dear Mr. Paff,

On December 18, 2012, the Government Records Council considered your October 9, 2012 request for an advisory opinion regarding the following question: "Does a civil complaint that has been filed with the court but which identifies a student by name constitute a "student record" within the definition of N.J.A.C. 6A:32-2.1 which is subject to the confidentiality provisions of N.J.A.C. 6A:32-7.5?"

The Government Records Council declines to issue an advisory opinion on this issue.

Thank you for your interest in the Government Records Council.

Sincerely,

**Karyn G. Gordon, Esquire**
