Subject: OPRA Request Borough of Glassboro

Borough of Glassboro

Please accept this e-mail/fax as my request for government records in accordance with the Open Public Records Act (OPRA) and the common law right of access. Please respond and send all responsive documents to me via e-mail at paff@pobox.com. If e-mail is not possible, please fax responses and responsive records to me at 908-325-0129. Also, I would appreciate it if you would acknowledge your receipt of this e-mail.

Background:

From your response to my most recent OPRA request, I see that \$6,800 has thus far in 2012 been paid out to "Conflict Public Defenders" even though the Borough has contracts with two regular public defenders (i.e. one with John Kosylo who, according to the June 26, 2012 meeting minutes, resigned and another with Lawrence L. Hubert whose contract became effective on July 24, 2012).

I note that the two lawyers who received the lion's share of the conflict PD work were Silvanio and Iannelli, both of whom contribute to Democratic organizations in the area. I am trying to understand a) why there are so many cases in Glassboro that the regularly assigned public defenders are conflicted from handling and b) the contracts with Silvanio and Iannelli.

Records requested:

1. The following purchase orders, with all attachments: 11-05120, 12-00342, 12-01166, 11-05119, 12-01816, 12-02826, 12-03268.
2. Contracts between the Borough and Silvanio or Iannelli as well as the resolutions that authorized those contracts to be awarded. *No record responsive to this request exists.*
3. The newspaper articles (w/ proof of publication) announcing that professional services contracts were entered into with Silvanio or Iannelli. *No record responsive to this request exists.*
4. Also, I would like a complete copy of the Borough's contract with John Kosylo, since the one you provided me does not indicate how much money the Borough was going to pay Mr. Kosylo.
5. Purchase Order 12-03801 and 12-01645, with all attachments.

Thank you.
