Mr. Paff,

We have completed our Internal Affairs investigation regarding the actions of Officer Robert Ferreiro (and other officers/personnel) in the case of State v. Troy Henderson.

After a thorough investigation by Lt. William Keane, our Internal Affairs Supervisor, we have determined that the motor vehicle stop, search and subsequent arrest of Mr. Henderson by Ofc. Ferreiro was accomplished within both state law and agency guidelines and as such, find that your allegations in this matter are not sustained.

Although we are closing this matter in regards to your Internal Affairs complaint, we will be conducting additional training, department wide, in regards to several areas of case law cited by both the Superior Court Motion Judge, and by the Appellate Division.

In regards to your 4/29/14 letter to First A.P. Chirichella regarding our IA Complaint Form and language regarding the filing of complaints, we have completed significant changes to our web site which makes it much easier for the public to navigate through the site and file a complaint.

I again want to thank you for bringing these matters to our attention.

Yours truly,

Russell W. Leffert
Chief of Police
