SPEAK OUT: Why Was The Head Of Public Works Fired in Gloucester Township?

[Roger Delgado](#) May 13, 2014 at 09:06 AM

No one can know for certain, but maybe for the same reason the Executive Director of the Housing Authority was terminated? Maybe Mr. Moffa got tired of doing the same unethical and illegal things Housing Authority did so they fired him and started to discredit him just like they did to Roy Rogers when Mr. Rogers refused to go along with Team Mayers illegal and unethical activities? I have to assume that Mr. Moffa knows where many of the bodies are buried which is why Team Mayer is trying to discredit him as a potential witness. Maybe Mr. Moffa could join Mr. Rogers lawsuit against Gloucester Township?

Patch is how they discredit people. Doesn't Norcross own the site?

Just wait until Moffa starts telling what he knows!

Carlamere became chair of the housing authority. It is truly not in the best interests of the residents.

 What I'd like to know is why carlamere is no longer the chair. Was she forced out because of the allegations against the HA that Mr. Rogers is making?

 Pretty sure I heard he took his truck over to Berlin News to pick up a paper last week

 Berlin? Isn't that where the President of Council Glen Bianchini lives?

 If I were a Team Mayer member, I would be concerned about the comments on this thread. As early as a day after his firing, and they are already making personal attacks that he frequents gay bars. If they are so quick to turn on Lenny, will they be so quick to turn on each of you once your usefulness is up to them? And if they decide to turn on you, will they attack you personally as they have already done to Lenny? Do you really want to associate yourselves with people who would do this? Or do you think they are trying to rule by fear because you might be their next target? What might they say about you and your family? Disgusting...

 Russell - The Case Law that allows you to speak about public figures was resolved in a lawsuit involving the New York Times back in the 1930's = the attorney was one of my mentors, Thomas F. Daly. I will be writing an article to release in JULY, after the primary nightmare is over. Not giving my opponents the ammunition, yet. Censorship is allowed on a private site, and "editorial privilege" is the difference between a journalist and a blogger. There is a paper out there (I no longer have a copy) entitled "Small Paper Politics" - written for the last election - I will dig it up, freshen, and re-publish. I think you'll like it. The First Amendment applies to everyone.
