Re: Catania & Ehrlich, P.C. Attorney Trust Account

Dear Ms. Lakind:

Kindly accept the within as our firm's response as to the deficient of \$10,000.00 in our attorney trust account, determined pursuant to your audit on June 25, 2012. This deficient was relative to our file "4-3687", which was for the purchase of residential real estate and resulted from a mistake made in advising the client the total amount of funds needed for the closing. Pursuant to your request, I attach hereto a copy of the ledger sheet for this client and this particular transaction.

This matter has been discussed with the client and it has been agreed that the client will pay \$5,000.00 of the deficiency on or before August 1, 2012 and this office will also be paying the balance of \$5,000.00 on or before the same date. These monies will be deposited into our trust account to rectify the above noted deficiency. The \$5,000.00 deposited by this firm will be a loan from the firm to the client and the client has agreed to re-pay the balance on or before September 1, 2012.

Should you have any other questions, please do not hesitate to contact me at the above office.

Very Truly Yours,
CATANIA & EHRLICH, P.C.
