Record Closed: October 29, 2010

Decided: November 5, 2010

**BEFORE ISRAEL D. DUBIN, ALJ:**

This matter arises under the Individuals with Disabilities Education Improvement Act (IDEIA), 20 U.S.C.A. §1400 et seq. The fundamental dispute relates to D.B.'s disagreement with the program and placement the Board has proposed for her daughter, S.M., an eleven-year-old girl who is eligible for special education and related services, having been diagnosed with auditory process disorder, learning disabilities and adjustment order.

D.B. filed her request for a due process hearing with the Department of Education, Office of Special Education Programs, on May 13, 2010, and following successful mediation sessions on July 28 and September 20, 2010,<sup>1</sup> the matter was transmitted to the Office of Administrative Law where it was filed on October 29, 2010, for the entry of an order approving the child's placement at the Cambridge School. I have reviewed the record and the terms of settlement set forth in the attached Settlement Agreement and I find:

1. The parties have voluntarily agreed to the settlement as evidenced by their signatures or their representatives' signatures on the attached document.
2. The settlement fully disposes of all issues in controversy between them and is consistent with the law.

Therefore, I **ORDER** that the parties comply with the settlement terms and that these proceedings be concluded.

This decision is final pursuant to 20 U.S.C.A. § 1415(i)(1)(A) and 34 C.F.R. § 300.514 (2009).

<sup>1</sup> The parties reached an agreement at mediation that could not be written by the mediator because it involved placement in a school that is not approved by the Department of Education.
