Re; OPRA Requests

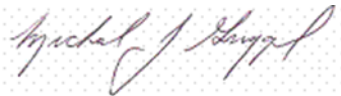

Dear Mr. Paff:

As you may be aware, the District was closed on March 6, 2015 due to inclement weather. Notwithstanding any deficiencies in your OPRA request #2, I have, in good faith, researched your question. The Board appointed one individual in July 2012 to a full time custodian position, as follows:

Name - Mr. Steven Senick
Title - Custodian
Position – Night Custodian
Salary - \$36,931 (Starting Salary)
Payroll record – See attachment
Length of service- July 16, 2012 – February 25, 2015
Date of separation – February 25, 2015
The reason therefor – Termination

Please be advised that the above response is not an interpretation of any allegation in “Walter Berglund v. Stacy Gray, Rachel Green, Linda Rosser and the Deptford Board of Education, Federal case no. 1:14-cv-01972” as referenced in your OPRA requests and is only a response to your inquiry regarding the appointment of full-time custodians in July 2012.

Sincerely,

Deptford Township School District
