Dear Mr. Thompkins:

Please see the attached Open Public Records Act request.

Also, we ask you to share with the Board our belief that that the resolutions it passes before going into executive session are too general to comply with N.J.S.A. 10:4-13. For example, the resolution passed at the May 9, 2016 meeting, which is typical of those resolutions, states the topics to be privately discussed as "personnel, pupil matters, pending, and anticipated litigation." This boilerplate description gives the public no real sense of that which is being privately discussed. Would you please ask the Board to use more specific language in its resolutions?

Thank you for your attention to this matter.

Very truly yours,

Executive Director
