Re: Paff v. Runnemede Board of Education
Docket No: CAM-L-2865-11

Dear Judge Kelley,

Pursuant to Your Honor's May 30, 2012 order and without waiving any privileges already asserted over these documents I enclose for your review the following documents:

- Unredacted copies of July 28, 2010 meeting minutes from Executive Sessions #1 and #2. These minutes have also been provided to opposing counsel.
- Unredacted copy of August 26, 2010 meeting minutes from Executive Session. These minutes have also been provided to opposing counsel.
- Unredacted copy of February 2, 2011 meeting minutes from Executive Session. These minutes have also been provided to opposing counsel.
- Unredacted copies of February 23, 2011 meeting minutes from Executive Sessions #1 and #2. These minutes have also been provided to opposing counsel.
- Unredacted and Redacted copies of March 24, 2010 meeting minutes from Executive Session #2. The redacted version of these minutes have also been provided to opposing counsel. I have conferred with Plaintiff's counsel regarding these minutes and he has informed me that given the privacy

interests of the family whose name has been redacted, he does not have any objection to this redaction.

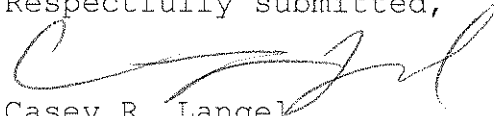

- Unredacted and Redacted copies of April 28, 2010 meeting minutes from Executive Session. The redacted version of these minutes have also been provided to opposing counsel. I have conferred with Plaintiff's counsel regarding these minutes and he has informed me that given the privacy interest of the individuals whose names that have been redacted, he does not have any objection to this redaction.
- Unredacted and Redacted copies of May 26, 2010 meeting minutes from Executive Session #1. The redacted version of these minutes have also been provided to opposing counsel. I have conferred with Plaintiff's counsel regarding these minutes and he has informed me that given the privacy concerns concerning the names that have been redacted, he does not have any objection to this redaction.
- Unredacted and Redacted copies of May 26, 2010 meeting minutes from Executive Session #2. The redacted version of these minutes have also been provided to opposing counsel. These minutes have been redacted to protect the privacy interests of a juvenile student whose discipline was discussed in Executive Session and to protect the identities of teaching personnel who had requested confidential conversation with the board regarding their re-hire status.
- Unredacted and Redacted copies of June 23, 2010 meeting minutes from Executive Session #1. The unredacted version of these minutes have also been provided to opposing counsel and therefore the issue regarding redaction is moot.
- Unredacted copy of September 22, 2010 meeting minutes from Executive Session. The unredacted version of these minutes have also been provided to opposing counsel and therefore the issue regarding redaction is moot.
- Unredacted copy of December 15, 2010 meeting minutes from Executive Session. The unredacted version of these minutes have also been provided to opposing counsel and therefore the issue regarding redaction is moot.

Regarding the March 2, 2011 executive session meeting minutes, defendants have identified to Plaintiff the identity of the counterparty to the negotiations discussed in those minutes as the Runnemed Education Association.

I believe this submission addresses Your Honor's order and any issues discussed on the record in oral argument. If Your

Honor has any questions or comments concerning this or any other matters, please do not hesitate to contact my office.

Respectfully submitted,
