Please see attached in response to your OPRA request received in my office on August 10, 2016. This satisfies your request #1 & 2 with regards to the Galloway v. Township. As for Mr. Moran, I don't have a resume on file....and the other request did not specify a record – but I can tell you this: James A. Moran is the Twp. Administrator currently making \$182,436.84 annually and he has ben employed for 7 years and is still actively employed in the same position.
