September 24th, 2015

To Whom it may Concern,

Dr. Demetrick Williams has been a welcomed addition to my Taekwondo school for the last 6 years. He has made every effort to immerse himself into the family culture at our school. During his time at All-Star TKD & Fitness, Dr. Williams has volunteered his free time willingly to help his fellow classmates. He has also worked with me to develop programs and activities devoted to strengthen a family culture at the school. He has also taken part in many community events over the years that has brought entertainment to the elderly and provided funds for cancer through our demonstration at institution of higher education.

Dr. Williams fully understands that he has made some poor choices in the past but with my continued counsel and guidance he is growing to be an outstanding member of my school, a better father and husband, and an outstanding member of society. I strongly feel that he has more than paid his dues to our society and is needed back in the working world. He continues to be a light in our community and everywhere that he goes with our school.

Master Edward Licerio Jr

Head Instructor/Master
ALL-STAR Taekwondo & Fitness
