To Whom It May Concern:

I consider it a privilege and a pleasure to lend support and endorsement for Demetrick Williams. I have known Dr. Williams for over 15 years, as a friend and colleague. While working closely with him for 6 years I had the ample opportunity to evaluate his overall effectiveness, his skills and his contributions to both the students and staff of Elizabeth High School.

I have found Dr. Williams to be an individual possessing a considerable depth of insight as it relates to people, especially children and their well-being. He is a very dedicated and extremely conscientious individual that has been committed to his family and community.

His leadership qualities and ability to effectively communicate with others has proven worthy of his success throughout life. I am extremely honored to call Dr. Williams a colleague, but most importantly I consider him a true friend.

Please do not hesitate to contact me if you have any questions. I can be reached at 908-298-2040 extension 2004.

Sincerely,

Rashon L. Mickens
Principal
