**RE: State of New Jersey vs. Demetrick Williams**  
**Accusation No. 08-09-0843-A**

Dear Judge de la Carrera:

I am in receipt of the State's letter dated February 12, 2016 objecting to the Expungement Petition in the matter referenced above, noting that it did not receive all of the exhibits listed in the Petition. I have enclosed a copy of the Petition, as well as all exhibits referenced in the Petition. Any failure to provide exhibits was inadvertent. It should be noted that the Petition itself, nor any supporting documents, require amendment.

The State indicates that Mr. Williams's 1997 arrest is not eligible for expungement. I am aware of that fact, which is why it was not included in the proposed order of expungement.

Lastly, The State indicated that it would not object to a forty-five (45) day adjournment of this matter. In order that the State have the opportunity to review all exhibits, I would respectfully request that this matter be re-listed as such.

Respectfully submitted,

GALANTUCCI & PATUTO
