Re: Grievance v [REDACTED] Esq.

Dear Mr. Paff:

Your recent email to Alan Molina and Ilene Miklos of the District VI Ethics Committee was forwarded to me as the Secretary of the Ethics Committee. Unfortunately, I had previously no record of having received the original documentation. I have no doubt that it was forwarded, however, obviously somehow it was lost in transmission. As you know, there is no Statute of Limitations for ethics violations and I therefore will take the appropriate steps under the *Rules* to review the Grievance and if appropriate will docket same, at which time you will be advised.

Very truly yours,

Jack Jay Wind, Secretary
District VI Ethics Committee
