Dear Mr. Paff:

The following are responses to your request for the following:

1. For the individual who most recently served as Fairfield's municipal emergency management coordinator (who I am quite certain is Mr. Conahey), I would like his "name, title, position, salary, payroll record, length of service, date of separation and the reason therefor." (This is information that N.J.S.A. 47:1A-10 expressly makes public.

*Custodian's Response: Name: Patrick W. Conahey, Sr., RN Title: Emergency Management Coordinator Salary: \$3,390.00 per year Length of Service: Date of Separation and the reason therefor: June 30, 2015. Mr. Conahey was not reappointed.*

*I do not have the length of service, but have inquired with our CFO to check and let me know. I will provide to you by Monday.*

2. For the individual who presently serves as Fairfield's municipal emergency management coordinator (i.e. the person who succeeded Mr. Conahey), I would like his or her "name, title, position, salary, payroll record, length of service, date of separation and the reason therefor." (This is information that N.J.S.A. 47:1A-10 expressly makes public.

*Custodian's Response: Presently there is no Emergency Management Coordinator. The Township of Fairfield conducted interviews on August 4, 2015. No appointment made. The Township of Fairfield is conducting interviews on August 18, 2015.*

Sincerely,

  
Linda M. Gonzales, RMC  
Custodian of Records
