Dear Mr. Kennedy:

This message is hereby being sent to you that pursuant to the Local Government Ethics Law, specifically, N.J.S.A. 40A:9-22.6, local government officers shall annually file a financial disclosure statement (FDS). As a member to the Fairfield Township Planning/Zoning Board, you are a local government officer (LGO) who is required to file.

Financial Disclosure Statements must be filed on or before April 30th of each year. As of today's date, your Financial Disclosure Statement has not been filed.

Please be advised that the Local Finance Board will be enforcing the filing requirement. Any member named on the Township Clerk's Roster and listed as ACTIVE who has not filed the Financial Disclosure Statement will be declared to be in violation of the filing requirement contained in the Local Government Ethics Law, N.J.S.A. 40A:9-22.6 and will be issued a Notice of Violation. A violation of the Local Government Ethics Law carries with it a fine in amount between \$100.00 and \$500.00.

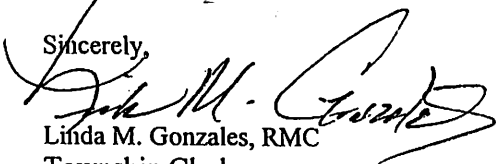

Also, please be advised and aware, that I am in receipt of an email from an individual who has compiled Fairfield Township's 2015 Financial Disclosure Statements and conveyed his concerns pertaining to the members of the Planning/Zoning Board who have not filed an FDS, and further, that he will revisit this matter on Friday, September 11, 2015 and consider filing Local Finance Board complaints or taking other action against the non-filers at that time.

It is my duty as the Municipal Clerk to remind you of your duty and responsibility to file your 2015 Financial Disclosure Statement as a local government officer. Failure to comply, will result in the Local Finance Board to assess against you the above fine.

The Local Finance Board will not accept paper FDS forms. Beginning with the 2013 filing year, online filing of FDS forms became mandatory for all local government officers (LGOs).

I have attached for you Online Filing Procedure Step By Step Instructions.
