Dear Mr. Rotolo:

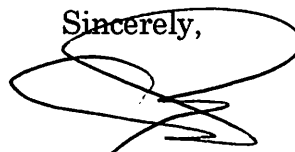

Please forgive me for contacting you at your law office. However, there is no information on the Internet on how a citizen is supposed to engage the services of the Bergen County Ethics Board. I searched Bergen County's official website and there is no mention of the Ethics Board anywhere on the site. I learned that you are on the Ethics Board by examining your 2015 Financial Disclosure Statement at the Local Finance Board's website. Since we've corresponded previously regarding a matter related to your previous position as the Garfield City Attorney, I was able to find your fax number.

As an initial matter, would you please inform the other members of the Ethics Board of the problems I encountered trying to communicate with the Board? I believe that the Ethics Board should have a link on County's website to instruct citizens on the Board's existence and on how to communicate with the Board.

Also, I ask that you accept this letter as my complaint against Planning Board Secretary Mark Pasquali and that you forward it to the appropriate party for processing. My complaint is that Mr. Pasquali, according to the attached roster pages, has not filed his Financial Disclosure Statement (FDS) for 2014 and 2015 despite N.J.S.A. 40A:9-22.6, which requires Local Government Officers to file annually.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to be 'John Paff', written over a large, loopy scribble.

John Paff
