**Briefly state the specific provision (identify the page and paragraph) of the decision that you assert the education agency has failed to implement.**

Our agreement was Orton Gillingham 1:1 5x a week during Reading period. In MV's IEP there were reading Goals and Objectives. The district removed MV's Reading G&O from MV's IEP sometime in December 2014. They were removed without my permission.

MV's IEP start date was 11.3.14 thru 4.29.15. The district was following Goals and Objectives for Writing, Occupational Therapy, and Reading. The district has since removed the Writing, OT, and Reading Goals and Objectives without a written consent.

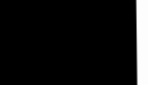

The district states, per our conference settlement agreement, the Reading Goals and Objective were to be removed. This is not correct and they are out of compliance for removing the Goals and Objectives. Orton Gillingham is merely the modality being used to address MV's reading deficits so can attain the Goals and Objectives.

We have repeatedly asked the district to reinstate all Goals and Objectives. Those requests have been rejected, we believe in violation of the court agreement and IEP. We can provide you with the any documentation needed to demonstrate that we have been trying to resolve this matter before filing the enforcement of our agreement with OSEP.

Another related issue is the district was required to hold an IEP Settlement Conference. Per the HHBOE attorney, Ms. Clarke, stated under oath, the participants of that meeting are to be: Case Manager, Parents, Special Education Teacher, Regular Education Teacher and the Certified Orton Gillingham Train personnel.

For various reasons (illness, etc.) the IEP Settlement Conference has had to be postponed and rescheduled. Now, we are being told that an administrator, like the Principal or the Asst. Superintendent, must be in attendance. This is in direct violation of the court order and the promises made by the district's attorney under oath. We have felt intimidated and harassed by these personnel throughout this process, and wish to have the composition of participants remain as prescribed in the Settlement Agreement.

Upon receipt of a request for enforcement, the OSEP will forward a copy of the request to the district for response and, if appropriate, the opportunity to resolve the request with the parent. If the matter is not timely and satisfactorily resolved by the parties, however, the district will be directed to submit to the OSEP evidence of compliance, whereupon, the OSEP will determine the implementation of the decision. If it is determined that the district has failed to implement the decision, or part of the decision, the OSEP shall order the district to implement the decision or part of the decision, as appropriate.
